Kop Hill Speed Hill Climb

Event - Kop Hill Speed Hill Climb ↻

Title	Kop Hill Speed Hill Climb
When	Sat, 20. September 2025, 09:00 - Sun, 21. September 2025, 18:00

Description

This is a two-day event where you can see cars and bikes from all ages reenact the famous Kop Hill Hill Climb.

As anyone who has been to Kop Hill Climb will tell you, the festival is so much more than a passive celebration of the history of motoring. More than anything, it’s a chance to get up close and personal with some amazing and rare cars and bikes.

These days it’s one of the few affordable events where you and your family can hear, see, touch and experience such historic vehicles in action.

Vintage clothing, antiques, memorabilia and art, we have just about everything you can think of that’s motoring related; a real village of delights. Enjoy some great food and drink in the heart of the paddock or perhaps have some family time at the fun fair. Come and cheer on your favourites in the soapbox challenge, ride the dodgems, go up in the air on the Ferris wheel for almost certainly the best view of the Chiltern Hills you’ll ever see. Alternatively, relax in the sun with a pint or a chilled prosecco and take in the live bands on the stage. Even if cars and bikes are not the number one thing in your family’s world, they’ll find plenty to see and do.

The best news is that it’s all in aid of raising money for local good causes.
