Event - Fully-escorted tour of the Prodrive factory

Title	Fully-escorted tour of the Prodrive factory
When	Wed, 30. September 2026, 13:30 - 16:00

Description

Fully-escorted tour of the Prodrive factory - Prodrive will long be associated with the once-all-conquering Subaru World Rally Championship Team from 1989 until the end of the 2008 season, and it's still the home-base for the ultra-successful Le-Mans winning Aston Martin Racing Team.

This will be a very intimate tour for us, and not something available to the 'ordinary' public!

During our visit to this all recently up-dated facility, we will be getting 'up close & personal' with successful versions of both 'marques' and also with several new-kids-on-the-block ... Oh! And lots more we are not allowed to tell you about!!!

For a donation of £50 to Prodrive's Charity account, a select and exclusive **party of just 10 Guests**. You will need to get yourself to the Prodrive facility, located near Banbury just off junction 11 of the M40 motorway in Oxfordshire, no later than 13.30hrs for Registration, and, following Coffee & biscuits on arrival, the Tour will begin promptly at 14.00hrs.

Be quick in booking your place to avoid disappointment, and please note that due to the limited spaces, this is **only open to ThamesMOG members**.
