

West Tisted Air Display

Event - West Tisted Air Display ໓

Title	West Tisted Air Display
When	Sat, 11. July 2026, 10:30 - 16:00

Description

Join John Grover from SogMOG for a Fly-in. It is a fly-in for mostly vintage aircraft and the pilots of a certain age. Over 100 classic and vintage aircraft have been invited.

The planes pay £10 each to land and take-off is free. Cars and passengers are free to get in but a donation of £10 per car, in aid of the local children's hospice, is requested then you can leave when you're ready.

Bring a picnic lunch although there should be a bacon/burger and hot drinks vans. The homemade cakes are worth trying! Clean loos also available.

Please bring a few friends especially if their classic cars are not Morgans.

Saturday 11th July (Sunday 12th is a back-up day if bad weather on Saturday), Check with me (07741 050052) a day or two before.

See maps below.

I'll be in the lay-by (on the A32, just north of West Meon Hut) about 10:00...to drive up to strip about 10:30. Weather permitting Saturday.

Or make your own ways if you fancy. See our recent newsletter

Everything crossed for a nice driving/flying day.
