

Winchmore Hill Village Show

Event - Winchmore Hill Village Show ໓

Title	Winchmore Hill Village Show
When	Sat, 5. September 2026, 12:00 - 17:00

Description

The Winchmore Hill Village Show takes place on The Common next Saturday 5th. This clashes with the Charity Family Day at West London Aero Club, but if anyone is not going to that and would like to come to this traditional day, you would be most welcome to park and display your Morgan on the common. We hope to have a flypast from an aircraft from The Navy Heritage Trust.

With all the usual stalls and attractions, a full bar, and barbecue, tea, coffee and cakes, children's rides and attractions, the Amersham Band, dog show and wonderful prizes in the tombola and raffle, the annual show is not to be missed.

The produce and arts show is running at full strength with classes for gardeners, bakers, artists and photographers alike, as well as a children's section.
