| <b>Title</b> | London to Brighton Veteran Car Run   |
| <b>When</b>  | Sun, 1. November 2026, 08:00 - 14:00 |

## Description

This runs from Hyde Park in London to the Madeira Drive in Brighton. You could decide to watch the Veterans Car Run by joining SexMog at the Jolly Tanner in Staplefield. Park your Morgans around Staplefield village green, where the Jolly Tanner and The Victory Inn pubs do a great breakfast. If you plan to watch it there, it is best to arrive before 9 am. The quickest and simplest way from Reading is via the M25/M23. You can take your time driving home by returning through the delightful Surrey countryside.

Alternatively, you can watch the start in London. SmogMog are planning to be at Hyde Park Corner by 7 am, or you could make a day out of it by watching the Run from the finishing line situated on Brighton's Madeira Drive, from 10 am onwards
