Title	New Year at the Pheonix Inn
When	Fri, 1. January 2027, 08:00 - 15:00

Description

New Year's Day Vintage Car and Motorcycle Gathering

Why not join with other car enthusiasts for an impromptu gathering of cars and car folk at The Phoenix Inn, Hartley Wintney, from about 8am to 2pm.

This is where you are likely to see all types, shapes, colours and condition of cars. Vintage, Veteran, Classic, Hot-Rod they will all be there at some time.

Have no fear about parking. Although there is little room in the pub car park, just do as everyone does, and park on the road leading up the pub. You can't miss where it is from the array of cars parked along the road.

The pub usually has burgers, hot dogs, teas and coffee for sale outside, as well as a busy bar inside.

Keep an eye open for any fellow ThamesMOGers who might be there.
